

ARRIVAL DOCUMENT IN MONTPELLIER

Pre-session students: this document is to be exact if you do not want to be waiting for hours for us to pick you up.

Since many of you will be arriving at the same time but from different places, it is important that you specify your exact hour of arrival and the city in France you will come from.

Students from other programs: there will be no pick you up.

To be filled out and emailed to: proganglo-bci-quebec@univ-montp3.fr
